## TELECONFERENCING RECORDING PRIVACY POLICY

APB 2021-021

7-1-2021

**EFFECTIVE** 

July 1, 2021.

Subject(s)

This policy governs the use of recording and privacy functions while conducting Michigan Department of Health and Human Services (MDHHS) business through approved teleconferencing applications. It prohibits the sharing of confidential and restricted information, sets conditions for recording, and establishes safeguards to maintain data security, privacy, and management in compliance with existing laws, regulations, and policies.
